## FOOD DISTRIBUTION TO THE STAFF AT UN JOUR NOUVEAU

Due to the crisis caused by the war, Un Jour Nouveau, through the board of directors of Africa New Day, supported its staff by giving them a food kit made up of basic necessities, on Monday, November 28. The kit was composed of rice, corn flour, beans, vegetable oil, sugar, powdered milk, table salt, and tomato paste.

In return, the staff expressed their gratitude to all the people who contributed to bring relief to their families.

## SONS OF CONGO AND COUNSELING

From November 25 to 28, the Sons of Congo and Counseling departments trained 100 men from the city of Oicha in Beni on Positive Masculinity, and the Heart and Wounded Spirit of Man.

After the training, the counseling department had a group session with these men and the Beni Generation Hope beneficiaries.

Taking advantage of the opportunity, these departments also had a working session with different groups of men, women and children to plan events for 2023.
